

## **Coriando Client MRO Passes CMS' esMD Integration Tests**

Bala Cynwyd, PA – November 16, 2011 -- Coriando, LLC is pleased to announce that its client, MRO Corp is among the first Health Information Handlers (HIH) to successfully pass all critical esMD integration tests. As a result, The Centers for Medicare & Medicaid Services (CMS) has incorporated MRO's ROI Online™ and Audit Tracker Online applications into its CONNECT Gateway Pilot Program, a program to facilitate the electronic submission of medical documentation (esMD) to Recovery Audit Contractors (RACs) and other federal Medicare and Medicaid Auditors.

Coriando was retained by MRO to build the system interfaces necessary to connect MRO's internal systems and the esMD Gateway system. Work began on this project in March, 2011.

### **About MRO Corp**

MRO Corp is a market leader for Disclosure Management in healthcare providing electronic release-of-information (ROI), payer audit compliance and tracking, accounting of disclosures (AOD), meaningful use, patient portal and document management solutions. Through a proprietary disclosure management platform and market-specific expertise, MRO facilitates the secure exchange of Protected Health Information (PHI) between the healthcare provider and third-party requesters. MRO is based in King of Prussia, PA.
